## ABOUT US

MPS LLC is a professional and comprehensive Civil construction and MEP contracting company in Oman. We offer a wide range of services ie; Civil construction including Mechanical, Electrical, Plumbing, Fire Fighting, specialized systems and catering to projects across the entire country.

With many years of experience and numerous projects completed for both government and private companies, we have been meeting the Construction and MEP needs of the industry in Oman. Whether state of art design & drafting or process of execution, our services resonate with perfection in every aspect. Our company focuses on offering tailor made services that help you achieve your premeditated goals without delay.

Our Services are a perfect blend of cost-effective Construction in top-notch quality, that's in par with industry standards and time bound Civil Engineering that is perfectly matched with our state of art infrastructures. Our Project Management team is proficiently managed by trained, experienced and skilled Project Manager who assume sole responsibility for satisfactorily completion of the project. We believe in working closely with our clients to make sure every detail of the project is taken care of.

Our Goal is customer satisfaction. Our services are result oriented and process driven. We strive constantly to upgrade our technology to be in par with modern developments and provide our clients with best solutions. Our long term business association with our clients is a result of our customer friendly Civil and MEP Services combined with efficient project management and wide range of options with flexibility.

## VISION, MISSION, GOALS

### VISION

To become one of the leading, reliable Civil & MEP contracting company in Oman with utmost quality & satisfaction.

### MISSION

To ensure the reliability of our company through repeat and referral business achieved by customer satisfaction in all areas including perfect finishing, timeliness, attention to detail, service-oriented approach, safety and environmental compliance.

### GOALS

Our goal is to consistently deliver exceptional construction projects that transform spaces, enhance communities, and exceed client expectations. We strive to achieve operational excellence, maintain a strong safety record, and foster collaborative partnerships with our clients, suppliers, and stakeholders.
